PROFESSIONAL SUMMARY

Motivated Computer Science student and Full Stack Developer with hands-on experience in building scalable web and mobile applications. Skilled in **Flutter, React, Next.js, Node.js, and Shopify**, with a strong understanding of UI/UX design, RESTful APIs, and cross-platform development. Demonstrated ability to deliver production-ready software and innovative digital solutions.

EXPERIENCE

Full Stack Developer | Veriton Tech

September 2025 – Present

- Led the design and development of scalable web and mobile applications using Flutter, Node.js, React, Next.js, and Shopify.
- Developed and deployed RESTful APIs and integrated backend services with responsive, user-focused front-end interfaces.
- Customized Shopify stores for e-commerce functionality, including product management and secure payment integration.
- Collaborated with cross-functional teams to plan, design, and deliver production-ready software efficiently.

Flutter Developer (Project-Based) | Orio Technologies Pvt. Ltd.

Dec 2025 – Present

- Develop and maintain cross-platform mobile apps using Flutter.
- Integrate RESTful APIs and Firebase services (Authentication, Firestore, Cloud Messaging).
- Collaborate with UI/UX designers and backend developers for seamless app delivery.
- Ensure app reliability through testing and debugging.
- Work with the backend team on **maintaining and improving legacy applications**.

Flutter Developer Intern | Orio Technologies Pvt. Ltd.

June 2025 – August 2025

- Built and launched **Order Management System App** and **FlyCourier App**, cross-platform Flutter apps.
 - Implemented state management (GetX) and API integration (Dio).
 - Conducted end-to-end testing using Postman to ensure reliable feature deployment.
 - Coordinated with UI/UX designers and backend developers for smooth project delivery.
-

EDUCATION

FAST National University of Computer and Emerging Sciences, Karachi 2024 – Present
Bachelor of Science in Computer Science (BSCS)

Army Public Degree College, Karachi 2022 – 2024
Intermediate in Computer Science (ICS)

Army Public Degree College, Karachi 2021 – 2022
Matriculation in Computer Science (ICS)

TECHNICAL SKILLS

Languages: C, C++, Python, Dart, TypeScript

Web Development: HTML, CSS, React, Next.js, Liquid.

Backend Development: Node.js, Flask, Fast Api.

App Development: Flutter

Databases: MongoDB, Postgres.

Tools & Services: Firebase, Docker, Postman, Git, GitHub Actions, Prisma

Soft Skills: Communication, Problem Solving, Time Management, Team Collaboration

PROJECT HIGHLIGHTS

- **Order Management System App (Orio):** Flutter-based mobile app for inventory and order management, launched on **Google Play Store**.
 - **FlyCourier App:** Parcel scanning and load sheet management app developed for a client at Orio Technologies, with API integration and push notifications.
 - **Anchor App:** Freelance Flutter app for real-time user interaction, profile matching, and messaging, launched on **Google Play Store**.
 - **Nora Lyf Shopify Site:** Custom, responsive e-commerce site for healthcare and wellness products.
 - **Point Store Shopify Site:** Shopify clothing store with tailored product collections, themes, and secure checkout.
 - **Client Management App:** Flutter mobile app for managing clients and sending notifications, with a **PHP backend** and **Firebase integration** for real-time updates.
 - **Blockchain Order Management System (OMS):** Secure and transparent order management system built in **JavaScript**, using **PostgreSQL** for fast data storage and **Hyperledger Fabric blockchain** for immutable order history.
